Re: Senior work program

Date: July 14, 2005

The Senior Work program for FY 05 went well with the maximum of 15 participants for 75 hours at \$10.00/hour each.

We have already received 13 applications for FY 06. Will the program be continued with the same amounts available, 15 workers at 75 hours each, for a total of \$11,250.00 for this fiscal year? I would like to suggest to the Selectmen increasing the program to 20 workers at 75 hours each so that more could be helped with their taxes. That would be a total of \$15,000.00.

The applicants are very eager to get to work.

Finance has indicated that at this time there is \$90,000.00 in the Audubon Hill fund for this.

*Does the Board wish to continue the Senior Work Program?
If so, in what \$ amounts?*
